# “Idle Hands...”

November 6-22

### **Opening Reception**

November 6 • 5-9:30 pm

November 8 and 9

Saturday & Sunday • 1-5 pm

November 15 and 22

Saturdays • 1-5 pm

Using primarily common household construction tools, materials, and processes, Brian Crane welcomes his inaugural solo exhibition with a series of sculptures and prints exploring improvisational building. As a woodworker, printmaker, and musician, he combines the planned with the spontaneous, the familiar with the abstract, and the finished with the raw.
